

## **Drumline Fee Schedule & Commitment Form 2010**

Prior to the beginning of each drumline season, fees are established to cover the expenses that are expected during the season. These fees typically include, but are not limited to, expenses such as contest entry fees, transportation, lodging, and meal costs associated with the contests as well as costs associated with music and drill preparation and clinician costs. The total costs for the 2010 season is expected to be approximately \$225 per student which does not include any fund raising revenue. This will be collected in 2 payments. The initial payment of \$125 will be collected on January 4. The final payment of \$100 will be collected on February 1.

Students choosing to be in drumline are expected to pay all fees on time. It is important that the fees be paid on time, because many expenses are either prepaid or committed to well in advance. Parents of any student with financial difficulty must contact a director in advance of any due date to arrange any payment extension. Failure to make payment prior to an original due date, or an extension date, can result in:

1. The student not being allowed to participate in any travel; and
3. The student being placed on the "not clear" list. This may prevent the student from receiving a report card or from graduating until the fee is paid.

A change in the student's status will not eliminate the requirement that the student pay any outstanding fee balance and will not allow a student to receive a refund. A change in status can include a student dropping out of a band class, a student electing not to march, or a student becoming ineligible to participate as a result of poor grades. Expenses such as entry fees, bus leases, etc. do not change just because one student is no longer going, and it is unfair to the other students to require them to make unplanned additional payments at a later time.

It should also be noted that there are additional costs for mandatory and optional equipment items that will be addressed separately. For this season, all marchers must purchase dance shoes separately at an estimated cost of \$20. Front Ensemble will wear band shoes.
